Total War: Shogun 2 Fall of the Samurai + CRACKFIX

(Note: Download is at the bottom of this page)

Game Synopsis

In 2000, the Creative Assembly re-invented the strategy genre with Shogun: Total War, an unprecedented blend of 3D real-time battles and turn-based management game and the first offering in the multi-award winning series. With over 7 million units sold and universal acclaim from the press and community, Total War has consistently been at the cutting edge of the genre and is today one of the most successful PC franchises of all time. In 2011, the makers of Rome and Empire: Total War will release the sequel to the game that started it all. Shogun 2: Total War will take long-time veterans and newcomers alike to the next level of strategy gaming on PC. Based on 10 years of experience in making Total War, Shogun 2 is the perfection of the series with a new Artificial Intelligence (AI), revolutionary multiplayer modes, brand new campaign map options and epic 3D real-time battles in the middle of the 16th century in Medieval Japan.
